January 2025

Just a couple of more days left of semester one final exams. If you have any questions regarding your student's exam dates, please call the school office.

Semester Change

We have officially completed all classes for the first semester and are now into exam week. Congratulations to students for working hard to have a strong finish to the semester. From January 23rd –29th, we are in exam week,. Students are only required to come to school at their scheduled exam times, unless otherwise directed by their teachers—grade nine homework room being an example.

Grades ten through twelve students, a digital copy of your child's report card for the first semester will be available through PowerSchool on February 3rd. Grade nine students will be receiving their report card via hard copy.

Password Reset

On January 31st, 2025 student @cesd73.ca accounts will have a password reset. Password resets occurs annually at this time to ensure the security of these accounts. Students were given their new passwords this week from quad teachers to help with the transition. New passwords will take effect February 3rd, and are available in their quads the first day of semester two.

Thank you for supporting your child this past semester and we look forward to the excitement a new semester brings. Semester two begins Monday, February 3rd.

Your Admin Team,

Jana Kemmere, Meghan Reist, and Shelley Sayers.
